The motto or tagline of UIN Jambi Community Service Program in 2021 was “return to the village, build together”, demonstrating UIN Jambi's commitment to improve the economic and social lives of rural communities, which are frequently regarded as poor and backward.

UIN Jambi is committed to develop villages through the establishment of a collaboration with the Ministry of Disadvantaged Villages. This initiative will be followed by a variety of activities such as Community Service Program by lecturers and students and others.

Furthermore, many business entrepreneurs experience a decrease in income and even the closure of outlets during the COVID-19 pandemic.
